# Physical Cards Design

## Required Design Specifications for Graphic Designers and Customers Required

You should prepare two files:

- **Preview (png).**
- **For printing (pdf, ai).**

**For printing:**

1. Sizes required : **242 px x 153 px**
2. Bleeds: **5 mm**
3. Placed logos should be sent as **vector graphic** (paths, curves).
4. Colour images should have at least **300 dpi** print resolution.
5. Indicate the fonts used and save them on the data carrier or **convert any text to curves** .
6. On the printing card we put only:
   - Your logo (vector).
   - Authorized signature.
   - All texts.
   - Custom service.
